Re: Mid Michigan Materials Open – Critical Infrastructure

As you are aware, this morning Governor Whitmer issued an executive order prohibiting in-person work and travel that is not necessary to sustain or protect life. The executive order takes effect March 24, 2020 at 12:01 a.m. and continues through April 13, 2020 at 11:59 p.m.

**This memo is to notify you that Mid Michigan Materials will remain OPEN during this time as Michigan's aggregate mining industry, including supporting industries, are deemed critical infrastructure work and therefore should not stop production/support. Aggregate as it relates to the road and bridge industry is critical.**

**Current hours of operation at all three Mid Michigan Materials locations are Monday-Friday from 7 a.m. until 5 p.m.**
